About Us-

We, the team of Pooja Sales Corporation, Ghaziabad & Manesar have proved ourselves as the recognized manufacturer, supplier and trader of Industrial Fire and Safety Equipment. Our range comprises Safety Spectacles, Fire Extinguisher, Industrial Safety Shoes (IS 15298), Signs, Safety Cones and Gas Detector. Besides, we also provide Industrial Safety Helmet, Full Body Harness, Ear Plug, Breathing Apparatus, Ear Muff and Speed Bump. These are known for safe usage, reliable performance and long service life.

In order to offer quality range of products, we have tied the knot with renowned business partners and vendors in the industry. They make use of quality raw material and advanced technology in the manufacturing process to ensure that no defect occurs in the products from their end. Their support and timely service further help us to deliver the consignments to our clients within stipulated time. In addition, we have trained professionals who work in close association to meet the organizational objective. The sourced range is rigorously checked & verified by our quality controllers to maintain quality in our products.

We run our organization under the able guidance of our mentor Mr. Amit Tyagi & Khalid Raza, who is a graduate and has 5 years of experience in the industry. His sharp business acumen, strong marketing instinct and professional approach have helped us to earn a remarkable status in the domestic market. Moreover, we are specialized supplier of personal safety wears and offer maximum competitive range of disposable wears to our esteemed clients. Due to our on time delivery of products, we have maintained a cordial business relationship with our clients such as Tata Steel, Jindal

Steel, Manitou Group, Atotech Development Center Private Limited, Shilla C&T Private Limited , NCC, Appco Infratech , Afcons Infra Structure Limited , Salasir Techno Engineering Limited etc.
